

**Equity** is an ardent journey toward well-being as defined by the affected. **Equity** demands sacrifice and redistribution of power and resources in order to break systems of oppression, heal continuing wounds, and realize justice. To achieve **equity** and social justice, we must first root out deeply entrenched systems of racism. **Equity** proactively builds strong foundations of agency, is vigilant for unintended consequences, and boldly aspires to be restorative. **Equity** is disruptive and uncomfortable and not voluntary. **Equity** is fundamental to the community we want to build
